“ *I cannot express in words the grief and sadness of losing my partner, best friend, confidant and traveling companion. Mr. Bryant touched the lives of so many as the best in the world checker player, the best dad, grandfather, uncle, cousin and as a true friend. His presence was always admired and everyone who met him, loved him from the beginning to the end. He will be sadly missed and never ever forgotten. I will miss his jokes, laughter and keen sense of humor. His family was the most important aspect of his life and he always made everyone feel special. As he transition from his earthly presence, we all know that God has added another angel to his kingdom.*

“ *I am Orangeburg County Council Person Dr. Deloris Frazier, sister to Dr. Helen Frazier. Many social events that I attended and was invited to Mr. Bow and my sister accompanied me to them. He had the opportunity to meet Congressman Jim Clyburn, SCSU's president Conyers, Claflin University's president Womack, Senator John Matthew, Senator Brad Hutto, Representative Jerry Govan and other political dignitaries in South Carolina. He was the best dressed person at the Congressman Jim Clyburn's golf tournament with his African kinte cloth hat, bow tie and white jacket and as always showing off his jewels! Most recently he attended the NAACP Banquet and again the most dressed person at the affair then later that evening he and Helen came to the Smooth Steppers of Edisto Drive line dancers pool party 🍷. Mr. Bow, as I always called him came to my house on Friday before I traveled to Sri Lanka and talked about how he has enjoyed all of the events he has attended. He said this would not have happened had he not met Helen. For the last few years he has had a life time of experience since moving to Santee. He and Helen traveled to Florida, New York, Georgia, and many tourists attractions in South Carolina especially the beaches, resorts and conferences. While in Sri Lanka I received the information about his demise, I was saddened and shocked. He will be missed by all of my friends ,relatives and colleagues. RIP Mr. Bow. From "Dee."*

“ *Uncle June, you were the coolest uncle that anyone could have. Your calm ways led to many insightful conversations. I am thankful, for the many years God blessed us, to enjoy. Thank you for being a great dance partner and for the laughter and the love you shared with us! Love You, Lisa*

“ We met Bryant about three years ago-- our personalities meshed immediately. We had so much in common and did not hesitate to share our experiences and laughter plus eat all the wonderful fish he would bring with him when he came to visit. Bryant was a wise man who cared deeply about people and their well being. Thea and I will greatly miss him and would like to share these thoughts with his family:

*Lay problems down to rest
Put all bad things behind you and strive to be your best
Carry on with confidence, your hands now hold the reins
Don't think your talents won't compare
For Bryant's blood runs through your veins
Carry on in honest
You know what's right and fair
Just call on Bryant when problems arise you know he'll be there
Carry on the dream and let your conscience be your guide and do not forget when you feell alone
Edward Bryant is standing by your side*

*Our sincere condolence,
Gilbert and Thea Cleckley*
