

Joyce Casaunder Williams Hui

November 9, 1956 - April 19, 2026

Joyce (A.K.A. Motisola) Casaunder Williams Hui, Child of the Most High God, has gone to glory on April 19, 2026. She is received by her Savior and Lord, Jesus Christ, with open arms. He said to her, "Well done, you good and faithful servant." Joyce/Motisola was born on November 9, 1956, in Washington, DC. She was the oldest of the 6 siblings. Motisola is a spiritual name given to her. It means Woman of Understanding.

She grew up in Washington, DC. Upon graduating from the University of Maryland, she became a multifaceted, multitalented professional. The last career was being an entrepreneur, owning a small business for over 8 years. Like many businesses, the pandemic in 2020 ended them.

At the age of sixty-four, she was married for the first time in Anaheim, California, on September 3, 2021. She is survived by her husband and three of her younger siblings.

The first Celebration of Life service will be held at Calvary Chapel of East Anaheim in Anaheim, California, on June 6, 2026, at 3:00 PM. Another one will be held at From the Heart Church Ministries in Suitland, Maryland, on June 9, 2026, at 11:00 AM.

This day Girlie Girl, I'm finding it difficult to find the right words to convey my condolences. We were LaPlata Hall Dorm mates at the University of Maryland during the mid 70's. When you said.... You're pretty cool! All I can say: We remained pretty cool throughout our life's experiences. We became apart by distance, but never in our hearts. I'm missing you!

Our friend Lynn Brown reconnected us when you joined From The Heart Church Ministries. Phone numbers were exchanged and we had lots to catch up on. Through the years, we found time to have lunch with our college dorm mates to celebrate birthdays, love and laughter. I'm missing you!

When you told me that you owned Motisola's Vegetarian Chili business, I had to support you. I ordered a couple of gallon buckets and quarts just to see you! You drove to Pomonkey, MD to deliver and I was so elated to have you in my little country town. Your chili was The Best and I begged you to make more and you made one more bucket! I'm missing you!

Well a year or so later, Girlie Girl shared with me, The Eclipse-Triangle of Love story by Jon Hui & Motisola Williams was being published! OMG....What a blessing! I was Happy for you and Jon too! I enjoyed you sharing your Miracle of Love story and your online dating experience too. It was a miracle from above! I'm missing you!

Jon, I've been thinking about you during these difficult times and I'm haven't been able to reach out to you to express my deepest sympathy. Jon and the Williams family.....May time heal your sorrow. May friends ease your pain. May peace replace your heartache. May warm memories remain! I'm missing you!
