“ I had the honor of working with Ken for the past couple years and he made our team feel like a family. His dedication to making the world a better place should be celebrated but it was also his kindness and heart that left an impact on everyone he knew. He always made it a point to talk about how proud he was to be a father, husband and dog dad. I hope for strength and peace for Ken's family and everyone that loved him. He will be dearly missed.

“ My deepest condolence to family., I have known Kenny for a few years since living on Ponds Street. It wasn't nothing Kenny wouldn't do for anyone! If he could help anyone or just give you advice he would! Kenny was a very intelligent, outspoken and caring person. Kenny you will be greatly missed. RIP. Necy & Family.
