“ Kian worked for me as an apprentice from 8/23 to 9/24, he reached back out to me in April 2025 to see if he could come out of his time with C3M. I went back and checked my evaluation notes of what the foreman had to say about him.

"Above Average Apprentice. He has proven himself to be extremely valuable and a treasure for anyone to work with in the future"

"I have nothing but good things to say about Kian, great attitude, good manners, always willing to learn and willing to go the extra mile to get the job done. Kian could have a great future here at C3M, let's keep an eye on him as he could be a great addition to our TP crews" Quotes from Andy Sincek and Sean Damon

Just want the family to know what Kians peers thought about him in the workplace. Thoughts and prayers go out to his family during this tragic time. Donny Schwier

“ *To Kian's family:*

May God comfort you, as only He can. Keep holding one another up. A kind word, a call, a hug...nothing is too small. My heart is with you all, and I pray that the memories will keep you, and eventually bring a smile to your eyes instead of tears. The time might be dark now, but the sun will shine again.

*All my love,
