“ *To the roach family, I am deeply saddened to hear of the passing of Reggie. I just heard about it today. Cassandra to his wife and his sons. His mom to Wayne, you all have my deepest heartfelt sympathy from the Short Rowe family. I remember being in school with niicy and we would go to your house after school or doing lunch time and Reggie would always be there laughing and cutting up. He loved to laugh and he had an infectious laugh that will always be embroidered in my memory. His smile, his laugh, his kindness. He treated me like a little sister even though he was only and I do mean only a year older than me gone but not forgotten your bonus sister Tootie*

“ Reggie exemplified meekness and a warm spirit who was always willing to help others. His presence will be missed on this journey and as it is written, to be absent from the body is to be present with the Lord. Lisa, RJ and Ryan, be blessed and know that prayers and condolences are going forth on your behalf.

“ *Dear Reggie--what a sweet and gentle soul he was. It was my pleasure to work with him on several major HR/TS projects during my nearly 12 years at the Board. Reggie was the consummate role model of servant leadership, seeking first to understand, connecting with the human beyond the role, showing collaborative spirit, and assuming the best about everyone every day.
