

## Scott Thomas Hornada

July 9, 1969 - April 17, 2025

Scott Thomas Hornada passed away on April 17, 2025 at the age of 55.

Scott was born in Bangor, Maine and moved several times in his life. After graduating from high school, he attended James Madison university.

A man of many skills and interests, Scott's career path was anything but ordinary. He managed marinas, worked as a Volvo marine engine mechanic, and later found his way into public service as a financial analyst for the federal government - the role he held at the time of his passing.

Despite his fair skin and unmistakable red hair, Scott had an enduring love for the tropics and could often be found soaking up the sun - usually without sunscreen, to everyone's dismay.

He has survived by his mother, Mikki Hubert; his stepmother, Jackie Hornada; his brother, Jeff Hornada (Kara); his sisters, Sally Houwman (Justin) and Meredith Hornada; several nieces and nephews; and many cherished friends. He was preceded in death by his father, Thomas Hornada.

In lieu of a funeral, Scott requested that you rescue a cat and enjoy a sunset with your new feline companion.

Donations in his memory can be made to King Street Cats in Alexandria, Virginia or to the animal rescue organization of your choice.

“ Scott was a friend of my brother. He'd come over and jam with school friends and my dad. We would all play video games in my room. He stayed for many dinners. He felt like part of our family. Scott and I shared a love for the Beatles and being barefoot as much as possible. Scott joked about being a spaz but I don't think he ever knew how much he helped me during some really difficult times. He was a voice of reason when things were kind of insane. Much love to you Scott, Quack
