“ I will truly miss all the family stories that she would talk about, and the crazy things she would tell me about dad. She always call me and really just wanted to check on Willie. I know she loved us both. I remember having dinner for her and wore her mother's dress to surprise her, but she can right in the house and said that's mom dress. I was so happy that she got to see me in that dress and she was happy also. I will truly miss her. ❤️🙏😭

“ *I remember sitting with her picking her brain about the family for my Ancestry research & she would always stop just short of spilling the beans on some family secrets..also with Fran saying "Ma..stop it!" 😂 Loved learning about us from her. She was a treasure! 🙏❤️*
